

ASSIGNMENT – 3

Advanced Software Engineering

Android Media and Location Services

Description:

- Signup Form consists of basic details like First Name, Last Name, Email, Image and Address.
- Image can be uploaded by taking a picture from camera or selecting the image from gallery.
- The address is obtained by marking current location with Google Maps API.
- The marker is the picture taken by the user in the upload image field.

Screenshots:

Home Screen – Create Account

The screenshot shows the 'Create Account' screen of an Android application. The top status bar displays the time as 11:31 and various system icons. The app's header is blue with the word 'Signup' in white and a three-dot menu icon on the right. The main content area is light gray and features the title 'Create Account' in a large, bold font. Below the title are three input fields for 'First Name', 'Last Name', and 'Email'. The 'First Name' field has a pink underline. At the bottom of the form is a gray button labeled 'CONTINUE'. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons.

Home Screen – Clicking continue without giving Firstname, Last Name and Email.
